DECLARATION BY STUDY CENTRE

We, the undersigned authorized representatives of the above mentioned study centre, hereby declare and undertake as follows:

1. That we are an affiliated study centre of the National Institute of Technical Education & Research (NITER) and are functioning strictly as per the rules, regulations and guidelines issued by the institute from time to time.
2. That before admission, **the complete admission form, student declaration, undertaking and related documents have been properly read out and clearly explained to the student** in a language understood by him or her.
3. That the **student has filled the admission form in his or her own handwriting wherever applicable, or has provided a verified signature after understanding all terms and conditions** of the institute.
4. That we have **not made any false, misleading or exaggerated promise** regarding Government or Semi Government employment, Government recognition, job guarantee, placement assurance or statutory approval to the student.
5. That we have clearly informed the student that **NITER is an autonomous vocational and skill development institute** and that all courses are conducted **only for self employment, private practice, business and skill based professional work**.
6. That we understand and accept that any violation of institute norms, misrepresentation of facts or false commitment to students may lead to cancellation of affiliation, legal action and other disciplinary measures as deemed fit by the institute.

STUDENT CONFIRMATION

I, the undersigned student, hereby confirm that all admission related forms, declarations and rules of NITER have been clearly read out and explained to me by the study centre.

I confirm that no promise of Government or Semi Government job, Government recognition or employment guarantee has been made to me.
